2	Fung Kin Fai Ken	German Pool (Hong Kong) Limited	Director	<p>Since the 70's, German Pool has already partnered with a Germany company to design and develop a wide range of home appliances. German Pool strives to make use of top notch German technology and high quality European-made parts and components when designing new products.</p> <p>In 1982, German Pool (Hong Kong) Limited was officially founded in Hong Kong. Meanwhile, having collaborated with German companies in research and development, German Pool introduced its first generation of storage water heaters. Since then, German Pool has become the industry leader in the water heater market in Hong Kong. The Company not only offers over 10 different types of storage water heaters, German-imported instantaneous electric and gas water heaters, it is also a pioneer in importing solar water heating systems from Australia. Starting from the 1990's, German Pool diversified its business into developing a variety of home appliances. In 2000, the company opened its first kitchen cabinet and electrical appliance showroom. It was the first of its kind in Hong Kong, providing customers a one-stop shopping experience. Today, German Pool has nearly 1000 retail outlets in Hong Kong, including major electrical appliance chain stores and department stores. The Company also works closely with power companies, real estate developers and the Hong Kong Government.</p> <p>After over 30 years of success, German Pool emerges as an international corporation strong in product design, manufacturing, sales and marketing, as well as international import and export. German Pool is now one of the most influential players in the home appliance industry in Hong Kong.</p>		http://www.germanpool.com/chi/home/
3	Ting Sik Wa	Kong Lee Industries (International) Company Limited	Director	<p>Originally located in Hong Kong in 1990, Kong Lee began manufacturing top quality high precision plastic as well as die casting moulds in a workshop. Now with our corporate office based in Hong Kong, we have two advanced, high-volume processing facilities strategically located in Humen and Heyuan, Guangdong Province of China. Our professionalism and devotion in the industry have attracted long-term clients such as Mattel and Hasbro.</p> <p>Currently, Kong Lee's manufacturing plants have a team of 500 employees.
